

Turn to the Experts

Temp Display
Room Temperature Display reflects the temperature in the room at any given point of time

On/Off Timer
On/Off Timer has 10 min resolution off timer programming, simultaneous off & on timer setting, simultaneous daily repeat Off Timer

Advance Dry Mode
Advance Dry Mode eliminates air moisture from the room by keeping the fan's speed low and is appropriate for humid seasons. At a touch of a button, it makes the room dry and fresh

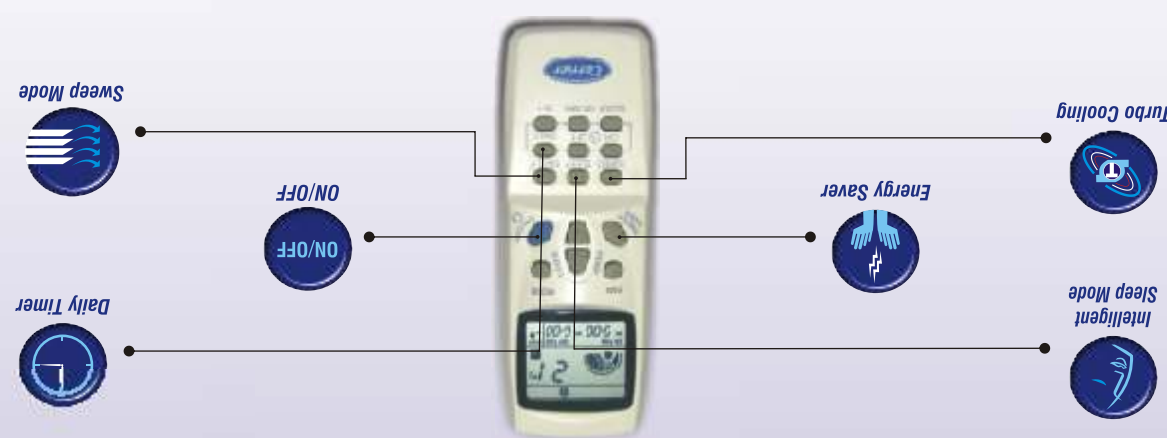

Intelligent Sleep Mode
Intelligent sleep mode adjusts the temperature gradually depending on the body temperature and provides comfortable environment as well as energy saving

Easy Clean
Easy to maintain washable dust filter, which can be removed by taking-off the front grille

Robust Rotary Compressor
Robust Rotary Compressor is designed to perform even under extreme climatic conditions. This state-of-the-art compressor promises to cool your room even at 46°C ambient temperature

UNIQUE FEATURES

Remote control features

ESTRELLA

Available in 0.8 & 1.1 Ton (with remote)

Available in 0.8 & 1.1 Ton

STYLISH FLAT GRILLE
EASY TO CLEAN

Low/High Voltage protection guards the motor and the compressor from premature failure in case of voltage fluctuations

In case of a power cut, smart time guard feature ensures that whenever the power is restored there is a 3 min time delay in compressor restart. This helps in protecting your compressor.

The Energy Saving function shuts off the fan motor whenever the compressor is switched off because of room set conditions being achieved. This saves the power consumed by fan motor

4-in-1 Filter consisting of Dust Filter, Electrostatic Filter, Carbon Filter and Zeolite Filter guards against harmful airborne mold like dust, pollen particles, harmful gases and odour

Highly optimized condenser coil results in higher energy efficiency

A unique air management system comprising powerful Air Flow Technology that creates uniform cooling in the room

Plastic body keeps the air conditioner weather resistant & prevents corrosion thereby enhancing product durability.

Revolutionary Flat Grille Technology, which not only makes your AC look stylish but also is very easy to clean.

UNIQUE FEATURES

MAKING YOU AND THE ENVIRONMENT SMILE!
